The Cuyahoga County Board of Elections Meeting began at 9:33 a.m. Hereinafter referred to as the CCBOE/Board.

Chairman Hastings noted that all Board Members were in attendance.

---

**Agenda Item 1: Approval of the minutes from the November 21, 2022, Board Meeting**

Chairman Hastings moved to approve the minutes from the November 21, 2022, Board Meeting. Board Member Davis Chappell seconded. The motion passed unanimously.

**Agenda Item 2: Acknowledgment of municipal ward boundaries and corresponding precinct boundaries for: Bay Village, Berea, Brook Park, Fairview Park, Garfield Heights, and Parma**

Director Perlatti stated that based on the Decennial U.S. Census, the Ohio Revised Code (ORC) requires the six statutory municipalities to review their population data and rebalance city wards. There are six communities in Cuyahoga County that are statutory with remaining municipalities being governed by a charter. These charter communities are also required to undertake the foregoing review. Each city council is responsible for drawing its ward boundaries and adopting legislation approving these boundaries. The legal descriptions are then provided to the CCBOE. The CCBOE is then mandated to re-draw the precincts where necessary. Per the ORC, precincts cannot be larger than 1,400 voters, cannot cross ward lines, and should minimize splits to Congressional, Ohio Legislature, and school districts. The CCBOE is focusing on completing precinct maps for those cities with filing deadlines prior to June 2023.

Once the precinct boundaries are approved, the voter registration system will be updated with the changes, and letters will be sent to impacted voters explaining why the modifications were made.

John Eddy, the Senior GIS Technician, explained the mapping software used to analyze the wards and make any necessary precinct changes. Director Perlatti stated additional cities' ward boundary changes will be forthcoming in 2023, including the City of Cleveland.

---

Narrative that is underlined in the CCBOE minutes relates to a motion that was acted on by the Board.

Prior to today's acknowledgment of municipal ward and precinct boundaries for Bay Village, Berea, Brook Park, Fairview Park, Garfield Heights, and Parma, Director Perlatti stated as a courtesy, the CCBOE contacted each Mayor and Clerk of Council and requested the proposed precinct maps be disseminated to their Council for review. He further stated that the CCBOE staff had reached out to each cities' Council Clerks and was advised that their leadership agreed with the CCBOE's recommendations.

Chairman Hastings moved to acknowledge the municipal ward boundaries and corresponding precinct boundaries for: Bay Village, Berea, Brook Park, Fairview Park, Garfield Heights, and Parma. Board Member Davis Chappell seconded. The motion passed unanimously.

### **Agenda Item 3: Acknowledgment of resignations from and appointments to elected office**

Chairman Hastings moved to acknowledge the resignations from and appointments to elected office as provided in the meeting material. Board Member Davis Chappell seconded. The motion passed unanimously.

### **Agenda Item 4: Early In-Person Voting PEO Performance Report from the November 8, 2022, General Election**

Steve Doell, Candidate and Petition Services Supervisor, presented a summary regarding the Early In-Person Voting PEO Performance Reports from the board packet.

Chairman Hastings moved to acknowledge the Early In-Person Voting PEO Performance Report from the November 8, 2022, General Election. Board Member Davis Chappell seconded. The motion passed unanimously.

### **Agenda Item 5: Approval of vouchers**

Chairman Hastings asked if the voucher for Midwest Direct for \$580,328.42 was a CCBOE contracted amount and if the amount was included in the budget. Shaunquitta Walker, Fiscal Services Manager, stated the CCBOE budgeted for more, and the final invoiced amount was less than the budgeted amount. Chairman Hastings asked how Midwest Direct performed. Director Perlatti stated they performed well. Midwest was ahead of schedule in deliveries of Election Day ballots, and they timely mailed the Vote-by-Mail ballot requests. The CCBOE initially anticipated a two-page ballot, and one-third of the County required a three-page ballot. The additional printing takes more effort and resources to accommodate those voters.

Chairman Hastings asked for an example of the MNJ Technologies Table C Ancillary items supporting EIP voting. Director Perlatti stated the Table C funding was approved from additional appropriations requested from County Council. The MNJ Technologies voucher is for purchasing 44 new laptops, trackpads, and scanners for use in Early-in-Person (EIP) voting. The laptops currently being used will be out of compliance with cyber security requirements. The new scanners will be able to pair up with the Ballot on Demand functionality for the new voting equipment.

Chairman Hastings moved to approve the vouchers set forth in the board materials. Board Member Davis Chappell seconded. The motion passed unanimously.

**Walk-on Agenda Item: Acknowledgment of Secretary of State Directive 2022-48: Appointments to the Board of Elections in Each County for Full Terms Commencing March 1, 2023; Board's 2023 Reorganization**

Chairman Hastings moved to acknowledge Secretary of State Directive 2022-48: Appointments to the Board of Elections in Each County for Full Terms Commencing March 1, 2023; Board's 2023 Reorganization. Board Member Davis Chappell seconded. The motion passed unanimously.

**Agenda Item 6: Approval of the personnel agenda**

Chairman Hastings moved to approve the personnel agenda set forth in the board materials. Board Member Davis Chappell seconded. The motion passed unanimously.

**New Business**

**Capital Improvements Update**

Director Perlatti updated the Board regarding CCBOE capital improvement projects required at both the Halle and Hughes Buildings.

At the Halle Building, one elevator needs significant repairs and the two other elevators need replaced. It is expected to take eight to twelve months to replace an elevator. Going into the 2024 Presidential Election year, the CCBOE will function with one elevator. Board Member Davis Chappell stated there should be a priority due to the safety issues regarding elevator leveling and someone being injured. She said there are a lot of details about how to fix the freight elevators and the potential safety hazards and risks and asked if the owners have been notified. Director Perlatti stated the Greystone owners have been notified.

Chairman Hastings asked if the CCBOE could also look into having the cement flooring for the dock be leveled to facilitate the movement of carts during election night.

Board Member Davis Chappell stated her concern about the lack of elevator access for the 2024 elections. The CCBOE has previously discussed with the County moving the CCBOE into a building that will adequately address the issues. Director Perlatti added there are also issues with the roof leaking at the Halle Building, which affects the storage of election supplies. Repairs to the roof are scheduled to begin in the Spring of 2023.

The cooling units for the server room at the Hughes Building will be installed by the end of 2022. Additionally, the CCBOE has been lobbying the County for a permanent generator. The County agreed to purchase a permanent unit, which will be installed in the parking lot and use 2-4 parking spaces. The generator will cost approximately \$500,000 and is built to order, and because of chain supply issues, it will take about 65 weeks to construct and should be installed by the summer of 2024.

General rehabilitation will also be taking place in 2023 at the Hughes Building. Updates will include rehabbing the bathrooms, kitchenettes, and breakrooms. There will also be space modifications on floors two through four to improve the workspace and storage efficiency. Public Works will oversee the projects and has hired Makovich & Pusti Architects, to develop and oversee the plans along with the County Project Coordinator. Public Works will do a portion of the work, and part of the work will be bid out.

At the Hughe's Building, there are also increasing issues with parking availability during the election cycle, which the CCBOE discussed with Mike Dever, Director of Public Works. In addition, to the elevator issues at the Hall Building. Mr. Dever recommends finding a new building that would accommodate the entire agency or acquiring a space large enough to house EIP voting with ample parking and moving the Ballot and Election Support Departments from the Halle Building to the same location. The departments in the Hughes Building could be transferred to the Halle Building and with the sale of the Hughes Building, the proceeds would then offset the procurement of the new building.

Chairman Hastings stated there should be Board members and CCBOE staff participating in the process. Board Member Davis Chappell noted that the CCBOE will not have the capacity with the freight elevators for the 2024 Presidential Election and should be incentivized to address these issues.

Director Perlatti said there is a second meeting with Public Workers on Thursday, December 15, 2022.

Public Works has invited the County Council Administration so they can effectively communicate the issues with County Council Members. Board Member Davis Chappell stated this impacts CCBOE operations. Director Perlatti will provide the Board with a summary of the projects and anticipated completion dates.

The next Board Meeting will take place December 22, 2022, at 9:00 a.m. for Certification of the Automatic Recount for the Cuyahoga County Common Pleas Court (FTC 1/12/2023).

Chairman Hastings acknowledged receipt of a letter from Election Systems & Software (ES&S) about the plans for the disposition of ES&S voting equipment. Director Perlatti will be updating the Board.

## **New Business**

Director Perlatti stated as a reminder that the County-wide recount serves as the audit for the November 8, 2022, General Election, and the General Election is now officially completed.

The CCBOE is currently working on the Secretary of State (SOS) National Change of Address (NCOA) and Supplemental Mailing that the CCBOE sends out based on changes of addresses compared to the United States Postal Service and an individual's voter activity. The CCBOE has completed the data entry and duplicate resolutions. Board Member Stickan asked if the November 8, 2022, voter history is incorporated into NCOA. Director Perlatti said yes. He explained starting Thursday, December 29, 2022, the SOS will be sent the first file containing the names and addresses of individuals. The SOS then reviews this data, and by the end of January 2023 the CCBOE will mail notifications to approximately 80,000 individuals.

# Agenda Item #2

**RELEASED: January 4, 2023**

## **SUMMARY**

- *Directive 2023-01* provides instructions on how to complete and submit the following two required reports:
  1. The 2022 Election Administration and Voting Survey (“EAVS”)
  2. The 2022 Annual Expense Report
- The EAVS must be completed by **January 20, 2023**, while the 2022 Annual Expense Report is due by **March 1, 2023**.

## **INSTRUCTIONS**

### **A. EAVS**

The United States Election Assistance Commission (“EAC”) is charged with collecting specific data regarding federal elections from each state as mandated by the *Help America Vote Act of 2002* (“HAVA”). As part of the HAVA requirements, the SOS must collect data from each county board of elections, compile the information received, and submit responses for the EAVS in early 2023. The CCBOE must complete and submit its survey by **Friday, Jan. 20, 2023**.

### **B. ANNUAL EXPENSE REPORT**

Pursuant to the requirements of R.C. 3501.11(N), each county board of elections must make an annual report to the SOS that includes expenditures made in administering elections and other supplemental information. The CCBOE must complete and submit its report by **Wednesday, March 1, 2023**. The CCBOE must include all expenses incurred during calendar year 2022 and expended from its appropriations, even if the bills for such expenses have not yet been paid.

However, the CCBOE should *not* include expenses that were funded through HAVA (associated with Security Directive 2022-38), or any other grant funds disbursed to the board (including S.B. 9 grants for the 2022 primary election, S.B. 11 grants for UOCAVA costs for the 2022 primary election, and H.B. 377 grants for the August primary/special election).

## **DIRECTIVE 2023-01**

January 4, 2023

To: All County Boards of Elections  
Board Members, Directors, and Deputy Directors

Re: United States Election Assistance Commission ("EAC") Election Administration and Voting Survey; 2022 Annual Expense Report

### **SUMMARY**

The United States Election Assistance Commission ("EAC") requests that election officials complete the 2022 Election Administration and Voting Survey ("EAVS"). Boards of elections must complete that survey by **January 20, 2023**. In addition, county boards of elections must complete the 2022 Annual Expense Report by **March 1, 2023**. This is necessary for the Secretary of State's Office to prepare its annual report to the Governor.

Boards must begin compiling the information for the EAVS and Annual Expense Report well in advance of the deadlines above.

### **INSTRUCTIONS**

#### **A. EAVS**

The EAC is charged with collecting specific data regarding federal elections from each state as mandated by the *Help America Vote Act of 2002* ("HAVA"). As part of the HAVA requirements, the Secretary of State's Office must collect data from each county board of elections, compile the information received, and submit responses for the EAVS in early 2023.

The person(s) gathering the information at each board of elections must carefully review each question before entering data and pay attention to the type of data requested and the time period for which that data is requested.

This survey will be performed through Elect Collect to ensure accurate data reporting. The survey will gather information that is required for only certain sections of the EAC Survey, as boards provided the other required information through the official canvass process for the November 8, 2022 General Election. The survey must be completed and submitted by **January 20, 2023**.

#### **B. ANNUAL EXPENSE REPORT**

Pursuant to the requirements of [R.C. 3501.11\(N\)](#), each board of elections must make an annual report to the Secretary of State's Office that includes expenditures made in administering elections and other supplemental information. The reports from each of the county boards of elections is due by **March 1, 2023**. The Secretary of State's Office is required by law to make an annual report to the Governor containing the results of elections, the cost of elections in the various counties, a tabulation of the votes in the several political subdivisions, and other information and

recommendations relative to elections. The Secretary of State's Office uses the reports from the boards of elections to prepare the annual report to the Governor.

Each board of elections must use the Elect Collect form accompanying this Directive to report expenses, the number of elections, number of employees, and types of voting systems. The board must include all expenses incurred during calendar year 2022 and expended from the board's appropriations, even if the bills for such expenses have not yet been paid.

However, when preparing the report, do not include expenses that were funded through HAVA (associated with [Security Directive 2022-38](#)) or any other grant funds disbursed to the board of elections (including S.B. 9 grants for the 2022 primary election, S.B. 11 grants for UOCAVA costs for the 2022 primary election, and H.B. 377 grants for the August primary/special election). In addition, a section has been added for the board to record items paid with other county funds and not from the board's budget appropriation.

It is important that each board complete the expense report form accurately. Each board must review and verify all numbers to ensure the numbers are correct and the totals balance properly. The completed form must be submitted to us no later than **March 1, 2023** by selecting the submit button on the bottom of the form.

If you have any questions regarding the data requested for the EAC Survey or the Annual Expense Report, please contact our Elections Data Administrator, David Letterle at (614) 466-5515.

Yours in service,

Frank LaRose  
Ohio Secretary of State

RELEASED: January 9, 2023

## SUMMARY

- *Directive 2023-02* provides instructions for the review, examination, and verification of signatures on a petition to form a minor political party – the “No Labels” party – which was filed with the SOS on Nov. 4, 2022.
- The “No Labels” party would *not* be entitled to nominate candidates to appear on the ballot until the Nov. 5, 2024 General Election (the succeeding general election, held in even-numbered years, that occurs more than 125 days after the date of filing, per R.C. 3517.012).
- While not required to determine the sufficiency and validity of the petition until July 10, 2024, the SOS encourages each board to complete its review, examination, and verification of the petitions and submit its certification forms to the SOS via SharePoint by **Friday, March 3, 2023**.
- Ohio law requires the petition to be signed by not fewer than 500 qualified electors from at least eight (8) congressional districts. Therefore, the CCBOE must track, tally and report signatures by congressional district within Cuyahoga County.

## INSTRUCTIONS

### I. VERIFYING THE VALIDITY OF PART-PETITIONS

- Ensure that all new, valid voter registrations and voter registration updates as of the date the petition was filed (Nov. 4, 2022) are complete before verifying the signatures on the part-petitions.
- Ensure the voter registration record of each voter is updated with voter activity credit if the signature and address on the petition match the voter registration record.
- The entire part-petition may be invalid if the circulator’s statement is not completed as required by law. However, the CCBOE may not invalidate a part-petition solely because a circulator statement includes a number that is lower than the number of signatures the part-petition actually contains, so long as there is no indication of fraud or material misrepresentation.

### II. TRACKING SIGNATURES BY CONGRESSIONAL DISTRICT

Ohio law governing minor party formation requires the petition be signed by not fewer than 500 qualified electors from each of at least a minimum of one-half of the congressional districts in this state. Currently, that requires signatures from **at least eight (8) congressional districts**. Accordingly, the CCBOE must track, tally, and report signatures individually by congressional district within the county. **Please note that the lack of a congressional district number on a signature line is *not* a reason for a board to reject a signature on a petition.**

### **III. PART-PETITION BELONGING TO ANOTHER COUNTY**

If the CCBOE receives part-petitions that belong to another county, it must:

1. Contact the Director or Deputy Director at the other county board by phone to notify them that the CCBOE will be forwarding a scanned copy of part-petitions;
2. Log the transfer of the part-petitions being sent on the "Part-Petitions Sent" spreadsheet;
3. Send the copy of the part-petitions via email to the Director and Deputy Director; and
4. Return the original part-petitions to the SOS.

### **IV. SCANNING THE PART-PETITIONS**

After the CCBOE finishes checking the signatures on the part-petitions, it must electronically scan each part-petition. A copy of the scanned images must be uploaded to the SOS, and a copy retained by the CCBOE.

### **V. FULFILLING PUBLIC RECORDS REQUESTS**

The CCBOE may receive a public records request for copies of the part-petitions. It should consult with its prosecuting attorney before rejecting, fulfilling, or responding to any public records request.

### **VI. CERTIFICATION & RETURN OF PART-PETITIONS**

**All certification forms and scanned images of petitions must be submitted electronically to the SOS by 4:00 p.m. on Friday, March 3, 2023.** Once the certification form has been submitted, the CCBOE must promptly return the original part-petitions to the SOS via trackable delivery method. All part-petitions must be mailed to the SOS by **Friday, March 3, 2023**.

## **DIRECTIVE 2023-02**

January 9, 2023

To: All County Boards of Elections  
Board Members, Directors, and Deputy Directors

Re: Instructions Regarding the Examination of a Petition to Form a Minor Political Party

### **SUMMARY**

This Directive provides instructions for the review, examination, and verification of signatures on a petition to form a minor political party. This petition was filed with the Ohio Secretary of State by the “No Labels” party. Although the petition was filed on November 4, 2022, the party would not be entitled to nominate candidates to appear on the ballot until the November 5, 2024 General Election (the succeeding general election, held in even-numbered years, that occurs more than 125 days after the date of filing).<sup>1</sup>

The statutory deadline for boards of elections to determine the sufficiency and validity of the signatures is July 10, 2024 (not later than the 118<sup>th</sup> day prior to the next general election held in an even-numbered year).<sup>2</sup> But for administrative purposes, *e.g.*, avoiding the risk of misplacing part-petitions at a board during that 18-month period, the Secretary of State’s Office encourages each board to (1) complete its review, examination, and verification of the petitions; (2) submit its certification forms to the Secretary of State’s Office via SharePoint; and (3) mail the original part-petitions via trackable delivery method to the Secretary of State’s Office by **Friday, March 3, 2023**.

### **INSTRUCTIONS**

#### **I. VERIFYING THE VALIDITY OF PART-PETITIONS**

Before checking any part-petitions, each board of elections must carefully read this Directive and [Chapter 13](#) of the Ohio Election Official Manual regarding circulators’ statements and signature review. Then the board must proceed with the following steps:

1. Ensure that all new, valid voter registrations and voter registration updates as of the date the petition was filed with the Secretary of State (**Friday, November 4, 2022**) before verifying the signatures on the part-petitions.<sup>3</sup> These registrations are effective as of the date filed with the Secretary of State, and the electors’ qualification must be determined as of the date the petition was filed.<sup>4</sup>

<sup>1</sup> [R.C. 3517.01](#) and [3517.012 \(A\)\(1\)](#).

<sup>2</sup> [R.C. 3517.012 \(A\)\(1\)\(b\)](#).

<sup>3</sup> [R.C. 3501.38\(A\)](#).

<sup>4</sup> [R.C. 3501.38](#) and [3503.19](#).

2. Verify all petition signatures, electronically record decisions on the validity or invalidity of each signature on the voter registration record, track for duplicate signatures, and ensure that the voter registration record is updated with voter activity credit if the signature and address match.
3. Check each part-petition to determine whether the circulator's statement on the part-petition was properly completed. The entire part-petition may be invalid if the circulator's statement is not completed as required by law.<sup>5</sup> However, no board may invalidate a part-petition solely because a circulator statement includes a number that is lower than the number of signatures the part-petition actually contains,<sup>6</sup> so long as there is no indication of fraud or material misrepresentation.<sup>7</sup>

## **II. TRACKING SIGNATURES BY CONGRESSIONAL DISTRICT**

Ohio law governing minor party formation requires that the petition be signed by not fewer than five hundred qualified electors from each of at least a minimum of one-half of the congressional districts in this state.<sup>8</sup> Currently, that requires signatures from at least eight congressional districts. Accordingly, each board of elections must track, tally, and report signatures individually by congressional district within the county. This can be done electronically, if your county's voter registration system can accommodate the tracking and tallying of signatures by congressional district, or manually by indicating the congressional district next to each signature and then hand counting the number of signatures from each congressional district. **Please note that the lack of congressional district number on a signature line is not a reason for a board to reject a signature on a petition.**<sup>9</sup>

## **III. PART-PETITION BELONGING TO ANOTHER COUNTY**

If a board receives a part-petition with a majority of signatures from another county, that board of elections may not determine the validity of that part-petition or review the signatures contained on it. Instead, it must promptly follow the steps below, complete the following two spreadsheets, and return them in the envelopes provided when all part-petitions are returned to the Secretary of State's Office:

1. Part-Petitions Sent Spreadsheet (Original Part-Petitions); and
2. Part-Petitions Received Spreadsheet (Emailed Part-Petitions).

If a board of elections receives part-petitions that belong to another county:

1. Contact the Director or Deputy Director at the other county board by phone to notify them that your board will be forwarding a scanned copy of part-petitions;
2. Log the transfer of the part-petitions being sent on the "Part-Petitions Sent" spreadsheet;
3. Send the copy of the part-petitions via email to the Director and Deputy Director; and

<sup>7</sup> See *Ohio Mfrs.' Assn. v. Ohioans for Drug Price Relief Act*, 147 Ohio St.3d 42, 2016-Ohio-3038, 59 N.E.3d 1274, ¶19.

<sup>8</sup> [R.C. 3517.01\(A\)\(1\)\(b\)\(ii\)](#).

<sup>9</sup> [R.C. 3513.05](#).<sup>10</sup> If a board has not appointed a Deputy Director or Director, then the Board Chairperson or a board member of the opposite party, respectively, must sign the certification forms.

4. Return the original part-petitions with the “Part-Petitions Sent” spreadsheet in the envelope provided and marked as such. When the board returns its checked part-petitions to the Secretary of State’s Office, place this envelope on top of the checked part-petitions so it can be easily located and retrieved from the box.

If a board receives a copy of part-petitions from another county:

1. Log the part-petitions that the board received on the “Part-Petitions Received” spreadsheet;
2. Process the part-petitions; and
3. Return the emailed part-petitions with the “Part-Petitions Received” spreadsheet in the envelope provided and marked as such. When the board returns its checked part-petitions to the Secretary of State’s Office, place this envelope on top of the checked part-petitions so it can be easily located and retrieved from the box.

#### **IV. SCANNING THE PART-PETITIONS**

After the board finishes checking the signatures on the part-petitions, the board must electronically scan each part-petition. A copy of the scanned images must be uploaded to the Secretary of State’s SharePoint site (using the instructions accompanying this Directive). Each board must retain an electronic copy of the images for the board’s records.

#### **V. FULFILLING PUBLIC RECORDS REQUESTS**

Your board of elections may receive a public records request for copies of the part-petitions. Boards should consult with their statutory legal counsel, the prosecuting attorney, before rejecting, fulfilling, or responding to any public records request.

#### **VI. CERTIFICATION & RETURN OF PART-PETITIONS**

As soon as the board finishes verifying the signatures on the part-petitions, the board must:

As you are aware, I will be starting my term in office January 12<sup>th</sup>, 2023 for the position of Judge, Cuyahoga County Court of Common Pleas. It is my intent to resign as Councilman on January 11<sup>th</sup>, 2023. To be clear, it is my desire to still serve as council person for January 11<sup>th</sup>, 2023. It is my intention to do this so that a replacement could possibly be sworn in and start serving on January 12<sup>th</sup>, 2023.

I do wish to keep my computer email account for a month so that I can prepare as a witness for an upcoming important liquor hearing, and to assist the new Councilperson and Assistant.

Although I am excited and look forward to serving as Judge, I consider my time in Cleveland City Council to be the pinnacle of my career in public service.

I wish you all well,

Brian Mooney

# Precinct Election Official Performance Summary
